LAW REGARDING CERTIFICATES.

State Certificates.

(a) By Examination—

State certificates may be issued to such persons as have good moral character, and who have held for one year and still hold a professional county certificate in full force and effect, when such persons have passed a satisfactory examination under the direction of the State Board of Education, in English Literature, History of Education, and General History, and have furnished satisfactory evidence of having been successfully engaged in teaching for at least thirty-five months; Provided, that such certificate shall be renewed if the holder has taught successfully twenty-seven months during the life of said certificate.

(b) By Endorsement—

State certificates may be granted to graduates of higher educational institutions and to holders of state certificates, within or without the state, upon conditions established by the State Board of Education, as follows:

1. Issued to graduates of four year courses of reputable colleges and universities, with eighteen months of successful teaching experience after graduation therefrom, upon becoming resident teachers of the state.

2. Issued to graduates of two year normal school courses, based upon graduation from four year high school or academy courses, with eighteen months of successful teaching experience after graduation from such normal school upon becoming resident teachers of the state.

Life Diplomas.
